27 May 2014

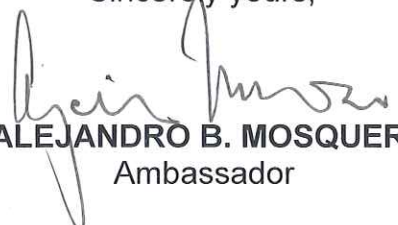

Dear Dr. Kortunov,

I wish to express my sincerest appreciation to the Russian International Affairs Council (RIAC) for co-hosting the successful Roundtable Discussion on "Asia Pacific Security Developments: Philippine and Russian Perspectives" held on 23 May 2014, in Moscow. I particularly would like to commend the efforts of RIAC's young and very capable officers with whom the Embassy has had pleasure of working – Mr. Anton Tsvetov, Ms. Liudmila Filippova, and Mr. Alexander Eliseev.

The Embassy looks forward to more joint activities and projects in the future with your esteemed organization.

With warm regards.

Sincerely yours,
