Dr Ivan Timofeev
Director of Programs
Russian International Affairs Council
Moscow

Dear Dr Timofeev

Thank you very much for hosting an excellent round table discussion with prominent Russian experts and academics at RIAC on 16 September 2019 during the visit by the New Zealand Track II delegation to Moscow.

The delegation appreciated the opportunity to exchange views on Asia-Pacific regional issues with their Russian colleagues. I found the discussion to be very interesting and useful, thanks to your helpful chairing and the organisational support provided by Ksenia Kuzmina and her team.

Thank you once again. I hope to have the chance to engage with you again soon.

Yours sincerely

H.E. Ian Hill
Ambassador
